P&F News

A BIG THANKS

To the parents and children who came to the Working Bee.

The weather was wonderful, the company was awesome and we achieved so much! Some of the jobs completed were:

- All outside of classrooms got swept, weeded and wooden furniture was oiled.
- Climbing wall was oiled.
- Rubbish picked up and dead branches and weeds taken away.
- Amphitheatre seats all mulched.
- Class 2 mudbrick seats fixed.
- Middle school ballcourt now has lines for ball games.
- Pond/waterfall near library had a clean out (and we even saved the tadpoles).

We all enjoyed hot spuds and soup for lunch...a big thanks to Janine, Marcus and Kim for their great skills in catering for a crowd. We had a turnout of 50-60 people.

TARREMAH SPRING FAIR is getting closer!

Sunday 6 November
11:00 a.m. – 3:00 p.m.
Treasure Trove at the Spring Fair

Good news for all you pirates, princesses and treasure seekers!

The White Elephant is returning to the Spring Fair this year. However, it has been renamed The Treasure Trove.

As the name suggests this will be a place of treasure, note there is no "trash" in the heading. It can only happen with the generous donation of good quality stuff from you. So look closely around your home, garden, and sheds for unused toys, games, books, puzzles, and general household goodies.

You can either store them at home and bring them on the day before the Fair during setup, or, to the shipping container at the school during 4th term. The key is in the office.

Happy hunting and decluttering!

If you would like to help with setup or helping on the day of the fair, please contact Brenda 0457188 975.

Strong people required especially at beginning of setup Saturday and at the end of Fair to help with heavy boxes.

Steiner DOLL DISPLAY at Spring Fair

As always, we will have a display of home made Steiner dolls at the Spring Fair. The display, accompanied by information regarding the suitability of the dolls to various ages, is an opportunity to show visitors to the school some of the beautiful and natural toys we offer our children at their various stages of development.

We are therefore asking for dolls of any size, from tiny pocket dolls, to "blanket" dolls and sack babies, to fully formed dolls. The dolls do not have to be in "as new" condition, and we especially welcome those that have been obviously well loved and played with, patches and all.

Could you please take some time to provide a short story of your doll's journey, including when/by whom it was made, and for whom, and any other information you'd like to add.

If possible, please bring dolls to the old class 9 Room on Saturday, 5th November (i.e. if you are heading in for "set up") otherwise they may be taken to the old class 9 Room prior to the start of the fair on Sunday. They may be collected and taken home with you after the fair.

Please phone me with any questions on 0401 565 648 or email rosie_bergerbarry@yahoo.com
Circus Stage at the Spring Fair

Christian Florence will be hosting an informal stage for anyone who wants to perform, on the oval, at the end of the circus workshop. He will have diablos, hula hoops, juggling balls, juggling rings, devilsticks (aka flower sticks), poi, spinning plates, unicycles, ribbon sticks, and a suitcase filled with costumes, which you will be able to borrow for your performance if you need. He will also have a music player loaded with circusy performance music to play during your performance. It will not be possible to play a specific music track. If you have any questions, feel free to email christian@socialcircustasmania.com.au or have chat to Amanda Thompson.

If you wish to be involved in the performance, please fill out this form and give to the Office.
