The Parent community Code of Conduct is developed on reasonable community expectations of behaviour encompassing mutual tolerance, respect and personal safety of all with the goal of making the school a safe and pleasant environment for all our community.

Terminology

Community Members' Rights

All Community members should expect:

- To be treated with respect and courtesy by others.
- To have confidentiality respected by staff.
- To be treated in a caring and polite manner
- To be respected by staff and students.

3.0 Procedure

Expectations of Parents and Guardians

Community Members are expected to act within the School's Workplace Health and Safety Policy. This includes following directions from staff with regard to emergencies.

When visiting the school for any reason (other than drop off or pick up), please record arrival and departure times at reception.

General Expectations

Community Members are expected to:

- Treat students, staff and all members of the school with respect, courtesy and consideration.
- Assist in the creation of an environment free of fear, harassment, discrimination, racism and intimidation.
- Act with care, being mindful of safe practices at all times.
- Work cooperatively with all staff.
- Report any illegal or concerning activity/situation to the School Chair or appropriate staff member.
- Follow the steps within the School's Complaints Management Policy to address any issues or complaints.
- Support the decisions of the Management of the School.
- Actively support any School behaviour management strategies and/or learning support plans that concern your child.
- Never discipline a child who is not theirs or speak to a child who is not theirs about their behaviour; this is the role of teaching staff. Community members should therefore raise any behavioural, bullying or peer group issues with a member of the teaching staff.

Expectations Regarding Communication

Respectful and ethical communication should be the highest endeavour for the adults in our community.

Community Members are expected to:

- Ensure that their interactions with staff do not create unnecessary disharmony, stress or anxiety. All School staff are entitled to a safe and happy work environment.
- Use appropriate communication, including the use of non-discriminatory, respectful and non-judgmental language in verbal and written communication.
- Refrain from approaching or calling our teachers at night (after 5pm), on the weekend or during non-term time regarding school matters unless the teacher has directly invited you to do so, or unless it is an absolute emergency. Community Members should consider carefully the most appropriate form of communication for any concern they may have. e.g., important, complex and/or challenging issues should be presented at a scheduled meeting.
- Refrain from approaching a teacher prior to class with a confronting, complex or challenging issue, unless it is an absolute emergency. Teachers at the school must be fully present and open to being responsive to the needs of their class. This cannot occur if they are anxious/stressed or perplexed due to an impromptu meeting prior to class. Organising a meeting to take place at a more appropriate time is a more appropriate action.
- Refrain from negative discourse about members of the school community.
- Refrain from making complaints of a malicious or vexatious nature.
- Seek clarity in an appropriate manner by asking the right person.
- Refrain from bullying, harassing, intimidating and/or writing derogatory comments about the School or staff members on Social Media or any other platform.
- Refrain from calling or texting students' mobile telephone numbers during the school day – messages can be left via Reception.

Confidentiality

We respect Community Members' rights to privacy and require this to be reciprocated by our Community Members. This requirement includes:

- Respecting the privacy and dignity of all students, staff, council members, visitors and other volunteers.
- Maintaining confidentiality by not discussing other students' progress, behaviour, or personal information in relation to school, other than with the relevant staff member or the School Chair.
- Not sharing class lists of contact information.
- Not sharing on social media images of students (other than your own), which have been taken at school or on school events.

Raising Issues and Concerns

- Community members have the right to raise issues and concerns related to the education of their child or other School matters. If a community member has a complaint, criticism or concern, it is expected that s/he will first approach the person with whom they have the concern or complaint.
- Any concern or complaint that cannot be resolved – or cannot be raised – with the person concerned directly, will need to follow Tarremah's Complaints Management Policy.
- It is important to note that criticism regarding a staff member will only be heard if it is related to their professional conduct.

Severe Breaches in the Code of Conduct

We will not be tolerant of any of the following:

- Smoking or using tobacco, possession of or being under the influence of alcohol or illegal drugs at any time while on school property or providing any of these substances to any students. (Note that alcohol may only be carried or consumed on the school property at specific events when no students are on the school site, with the express permission of the School Executive).
- Physical or verbal harassment, abuse or intimidation of any person or the use of profanity while on school grounds, including the school car park.
- Taking advantage of or acting abusively towards any person.

Consequences of Breaching the Code of Conduct

If a Community Member chooses to not act within this Code of Conduct, The School Chair will seek to remedy any breaches of this Code in the first instance. If necessary, appropriate authorities may need to be contacted.

If a Community Member chooses to act outside of this Code, the school reserves the right to:

- Limit physical access to the school or school activities.
- Limit communication with school staff.
- Cancel or suspend membership of the Tarremah Steiner School Foundation/Council/P&F etc.
- Withdraw future financial support (following the Parent Code of Conduct is a criterion for being eligible for receiving financial support.)
- If no resolution can be reached, termination of the enrolment contract may follow.

The school reserves the right to have a child withdrawn from the school when the parent or guardian of the child engages in serious or persistent breaches of this Code which relate to a pupil, member of staff, the School Chair, another parent or to the reputation of the school.

The school has a Complaints Management Policy. All complaints or grievances should be handled according to this policy and its procedures.
